

Mission Statement

We at Tyne Tees Security Ltd are committed to be the very best at what we do, and to that end have created a mission statement that truly reflects how we intend to reach our goals and deliver to each and every one of our customers.

Our Mission

- Care passionately about the services we provide
- Be honest in delivering our services
- Value the trust our client puts in us
- Be innovative and cost effective
- Believe in the Full field of our products
- Believe quality is a right and not just a target
- Have fun and enjoy the business we are in

Our Values

- Commitment – To deliver on time, every time with an enthusiastic approach
- Flexibility – To provide our products and services to accommodate individual requirements
- Excellence – To exceed the traditional industry standards
- Communication – We believe in the benefits of open and honest relationships with staff, clients and suppliers

We realise that in choosing us you are putting your faith in our abilities to provide you with good quality services that can be sustained and delivered on time, as well as providing you with a real time ability to view our progress and results for your reporting and peace of mind. As a customer to many and diverse services ourselves we know that you need a company you can trust to be honest and deliver your needs with speed and integrity.

It is our belief that our clients will be best served by us when we are working seamlessly as a well trained and informed team, utilising our individual skills to produce work from first contact to completion that is both professional and yet personal to you. In this way we would like to make the promise that we take the good opinion of every one of our customers as a valued commodity, and will always remember that relationships take time to build but only seconds to lose.
